LIBERATING LOCAL FOOD RESCUE

BLUES FEST BRINGS OPPORTUNITY FOR NEW FOOD RESCUE PARTNERSHIP

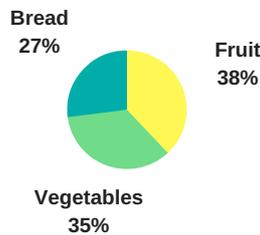

After a sunnier than normal Easter weekend and as Blues Festival wrapped up, local food rescue organisations started moving. Food Recovery recently supported Liberation Larder from Byron Bay to support local food operators with excess left over food after another successful event. Liberation Larder invited Food Recovery to support them to rescue food in our new Food Recovery refrigerated van. We helped collect the fabulous offerings graciously donated and

safely transported them back to Byron Bay and Mullumbimby. The fresh fruit, vegetables, dairy and protein sources were a welcomed contribution to both organisations who support many people needing access to food relief both in Byron Shire and throughout the region. Food Recovery extends its gratitude to Liberation Larder for the opportunity to support them on the day, and to all businesses who donated healthy, fresh and nutritious food donations.
